PROFESSIONAL SUMMARY

Computer Science graduate and Frontend Developer with hands-on experience in building responsive, user-friendly websites and web applications. Skilled in HTML5, CSS3, JavaScript, responsive web design, Git/GitHub, Figma, and Canva, with working knowledge of React, PHP, PostgreSQL and MySQL. Passionate about creating clean, modern, and user-friendly interfaces with a strong focus on usability and responsive design.

TECHNICAL SKILLS

Programming Languages	HTML, CSS, JavaScript, React
Web Development	Responsive Web Design, Front-End Development
Development Tools	Visual Studio Code, Android Studio, Windsurf, Opendcode
Database Technologies	MySQL, SQLite, PostgreSQL
Other Tools	Git, GitHub, Canva, Microsoft Word, Microsoft Excel, Figma

PROJECTS

Portfolio Website (Personal Website)

Technologies: HTML, CSS, JavaScript

- Designed and developed a personal portfolio website to showcase projects and skills.
- Created responsive UI for mobile and desktop users.
- Included sections like About, Projects, and Contact Form.
- Focused on clean design and user-friendly navigation.

LiteraHub – Library Management System (Web Application)

Technologies: HTML, CSS, JavaScript, PHP, PostgreSQL

- Developed a web-based system to manage library books, users, and issuing records.
- Designed responsive front-end pages including homepage, admin login, and registration interface.
- Integrated database connectivity for efficient data storage and retrieval.
- Implemented basic admin functionalities for managing books and users.

PDFToolify (PDF Converter Web Application)

Technologies: HTML, CSS, JavaScript

- Developed a web-based PDF utility tool to provide users with an easy and accessible document conversion interface.
- Designed a clean and responsive front-end layout for uploading and managing PDF-related tasks.
- Implemented user-friendly sections for file handling and document conversion features.
- Focused on creating a simple, professional, and interactive interface for smooth user experience.

BiteCraft (Recipe Web Application)

Tools: HTML, CSS, JavaScript

- Developed an interactive recipe web application to provide users with a structured and accessible collection of categorized meals.
- Designed a clean and fully responsive front-end interface showcasing recipes with images, ingredients, and detailed instructions.
- Implemented dynamic features such as category-based filtering and search functionality to improve navigation and usability.
- Focused on delivering a smooth, engaging, and user-friendly experience through modern UI design principles.

DevSphere Agency – Agency Website

Tools: HTML, CSS, JavaScript

- Designed and developed a modern agency website to showcase services and completed projects.
- Created responsive layouts for desktop and mobile users.
- Developed dedicated sections for services, projects, and contact information.
- Focused on professional visual presentation, usability, and responsive design.

Stonehaven Builders – Construction Company Website

Tools: HTML, CSS, JavaScript

- Designed and developed a professional website for a construction company to showcase its services and projects.
- Created a modern and responsive interface optimized for desktop, tablet, and mobile devices.
- Developed structured sections for company information, services, projects, and contact details.
- Focused on clean layouts, visual presentation, and easy navigation.
- Implemented responsive design to provide a consistent user experience across different screen sizes.

EXPERIENCE

Frontend Developer — Remote	Sep 2025 — Present
• Developed and maintained responsive user interfaces using HTML, CSS, and JavaScript • Collaborated remotely with team members to implement UI components and improve user experience • Converted design concepts into functional web pages with clean and structured code • Ensured cross-browser compatibility and mobile responsiveness • Participated in debugging and optimizing front-end performance	

EDUCATION

Associate Degree Program in Computer Science (ADP-CS)	2023 — 2025
University of Central Punjab — Lahore, Pakistan	
Intermediate (I.C.S)	2021 — 2023
Government Associate College for Women — Kot Radha Kishan, Pakistan
